

## Jay Krew

ASSOCIATE

### Career Summary

While growing a successful cleaning equipment business in the Valley, Jay developed an excellent knowledge of the market and industry requirements. He has dealt hands-on with business owners and employees to understand their needs for current and new business locations.

### Specialization

Jay specializes in buyer and tenant representation, owner and landlord representation, marketing, investment sales and analysis, and consulting services. He supports his clients by using a strong attention to detail approach for each client.

### Education

- University of Buffalo: Bachelor of Science Degree in Business Finance and Management Information Systems
- American Council for Education: Certified Group Fitness Instructor
- International Sport Sciences Association: Certified Personal Trainer
