

Michael Corbin

ASSOCIATE VICE PRESIDENT

Mr. Corbin joined DAUM Commercial Real Estate Services in 2000.

Michael was raised in the city of Pasadena, California. He was selected to attend the Ivy League National Leadership Conference as a high school sophomore in 1986. Mr. Corbin attended college in San Diego in 1989 to pursue his degree in Marketing. He was a member of the N.S.S.A. collegiate National Championship Team in 1992. Following his graduation in 1994, he began work with a management firm in Beverly Hills until 1997.

Prior to joining DAUM, Michael was the President of MB Management, the firm he co-founded in 1997. His company was then acquired by Pure of Beverly Hills in 2000. Due to his experience in real estate, contract negotiations, project management and multi platform sales development he was recruited by DAUM, a leading firm in commercial real estate, in 2000.

Michael has experienced great success in his representation of tenants, landlords and developers focusing on both the Santa Clarita, San Fernando and Antelope Valleys as well as the Southern California development arena. Forging alliances between local area owners and high growth companies a powerful network has been established that continues to benefit his clients today. Michael has helped to develop, sell and lease both office, industrial, retail and medical properties in Southern California.

Michael has his office in Valencia and his focus and efforts are on the Santa Clarita Valley markets. His knowledge and experience in the office and industrial sectors are unparalleled.

Michael resides in Valencia with his wife, Erica and their two children.
